The Best of the Breasts

Or, "*SCORE*'s Greatest Tits." How this collector's edition happened.

By Dave Rosenbaum

"John, how come we've never done an issue of our greatest photos?"

That's how this issue began, with me walking into editor-in-chief John Fox's office at the end of the day last December and asking what seemed to be an innocuous question.

"We haven't?" John asked.

And then he realized: We hadn't. We've done issues with our most-influential models and a 15th anniversary issue packed with previously unpublished photos of the best girls from our first 15 years. We've done "20 Greatest Naturals" and "Who's The Fairest" and the "Sweet Sixteen." We've had Boob Cruise issues, too, but never an issue devoted entirely to the greatest photos we'd ever published.

How could that be?

"How could that be?" John asked. After all, photos are as vital to *SCORE* as they are to *LIFE* magazine, and they've done plenty of "Best Of" photo issues and books.

I guess the short answer is, "We never had the chance." Every month, every issue, has brought new girls and new photos, new on-location shoots to celebrate and more. We never had the chance to slow down, take a deep breath, page through every issue of *SCORE* ever and look at every photo ever, select the best of the best and put them all together in one package. Not that we had the chance even this time. More newcomers, more favorites and more photos from great on-location shoot await you in future issues.

But the timing seemed right. And so, the issue in your hands has been 21 years in the making. It's a true labor of love. Enjoy.

This photo of Linsey Dawn McKenzie from 1999 is one of our best ever. And that's why it's in this issue.

1992 The story of *SCORE* did not begin in the desert of Palm Springs, California, where Lacey Legends and Deena Duos went lezzie during our first on-location shoot. It didn't even begin on the cover of our first issue, the June 1992 edition graced by L.A. Bust. The story of *SCORE* began in a tiny office in South Miami, where John Fox, former editor of *Gent*, and a small group of editors and an art director decided to take on the giant that, at the time, was *Gent*. But if the story begins there, it's a behind-the-scenes story. *SCORE* will always be about the girls. And we had the girls!

1993 It was a very good year for *SCORE*. "The best year of our lives," we called it when we looked back while celebrating our 15th anniversary in 2007. The travails of that first year were over (Said editor-in-chief John Fox, "Our first two issues didn't print well, and after sales data began coming in, some were predicting our early demise."), and *SCORE* began to rise. Of course, it couldn't have happened without the girls, such as Chloe Vevrier, the German *wunderbabe* who we photographed for the first time in Eleuthera, the Bahamas. And mega-busted fantasy women such as Crystal Topps.

Readers discovering *SCORE* for the first time quickly realized that it had something for every big-boob lover. Alexis Love was 43 years old when she debuted in the March '93 issue and returned in November. "I really had no plans to continue modeling," Alexis said after her appearance in the March issue, "but after the fan mail arrived, I was overwhelmed." This was an early example of the chemistry between the *SCORE* Girls and *SCORE* readers, a two-way relationship that has always been rewarding for both sides. The girls know that the readers have an interest in them that runs deeper than their skin. The readers know that the girls are listening to them and responding. Some magazines present their girls as pieces of meat for guys to jack off to and forget. We've never done that. We've always strived to present our girls as real people, not just models. So you grew to love Alexis, Lisa, Wendy and Bethany.

The girls were real-life women, but they were also bigger than life. Toppsy Curvey became internationally famous for running on the field during Major League Baseball games and kissing her favorite players, but she wouldn't have been a *SCORE* girl if not for her massive chest. Of course, one of the big events of 1993 was SaRenna Lee's "Marilyn Monroe" cover (see page 18 for more about that). The December '93 issue in which she had her famous pictorial was a true turning point for *SCORE*. From that issue on, there was no doubt that we'd be a success.

COVER STORY!

Every picture tells a story. These 10 covers tell the history of *SCORE*.

BY DAVE ROSENBAUM

John Fox, the editor-in-chief of *SCORE* since the beginning, is fond of saying, "The cover is the most important page in the magazine. It's an advertisement for the issue."

A lot of work goes into creating the cover of each issue, from choosing the cover girl (or girls) to the actual taking of the photos to the choice of just the right shot and, finally, the graphic design. All *SCORE* covers are special. But some are particularly memorable. They tell the history of *SCORE*.

JUNE 1992: Busty Boon or Bust

Fact: More magazines die than live. Editor-in-chief John Fox was well aware of that fact when he chose a covergirl for the first issue of *SCORE*. The selection of the proper cover girl would not only send a message about what the new magazine was all about. It could also decide whether the mag thrived or died. His choice was L.A. Bust, a girl who represented the style, sophistication, sexuality and, yes, body type, that *SCORE* wanted to be all about. The issue was a success, and the rest is big-boob history.

DECEMBER 1993: That face!

A big-boob magazine without big boobs on the cover? Had we lost our minds? Well, kind of…we had gone out of our minds for the stunningly beautiful SaRenna Lee, who we called "The Marilyn Monroe of the 90s." Inside, SaRenna wore a white dress similar to the famous one Marilyn Monroe wore in the movie *The Seven-Year Itch*. On the cover for her *SCORE* debut…Marilyn's face and only her face. It was the first and only time we would do a face-only cover, and it would label SaRenna as a true big-boobed superstar.

MARCH 1995: Cruising

In an historic first for men's magazines, we took five of our best girls and joined them with happily-paying passengers for the first-ever Boob Cruise to the Caribbean. Then, we made a magazine out of it. Known in various parts as "*SCORE*'s Fantasy Vacation" and "Boob Camp," the Boob Cruise was a dream-come-true, first for the passengers and then for readers. Four more Boob Cruise issues would follow.

DECEMBER 1996: Finally Legal!

Our 50th anniversary issue featured the long-awaited debut of Linsey Dawn McKenzie, the Brit teen who had been a sensation in England for two years (the age of consent in the UK is 16). We photographed her on her 18th birthday, a day she would never forget. For seven hours, Linsey's body was an artist's canvas. Then the body paint came off for Linsey's first of many *SCORE* pictorials.

1994 The great girls kept on coming. Voluptuous girls occasionally were featured in 1992 and 1993, but slim ‘n’ stacked babes like Tiffany Towers were becoming our trademark. By the way, even readers with long memories and sharp minds might not remember this photo of Heidi Hooters. That’s because it was originally published much smaller in “Scorecard.” We thought it deserved special, bigger treatment for this special issue.

Canadian hottie Tiffany Towers flew to the Bahamas for a photo shoot and Candy Cantaloupes joined her to get naked on the beach. A super-stacked new Brazilian babe named Angelique visited our studio in London, England for her first photo shoot, and readers began to wonder to what lengths we would go to photograph the bustiest, most-beautiful women in the world in spectacular places. The photos from the first Boob Cruise, sailing out of Grenada in late 1994, wouldn't be published until 1995, but *SCORE* was already getting a reputation. Inside the magazine, in-depth interviews with the models were also becoming a trademark feature as part of our continuing-to-this-day attempt to make a personal connection between *SCORE* Girls and the readers. Of course, sometimes, we can't help but become just a bit focused on our favorite part of a woman's body, so you'll excuse us for this tits-only shot of Tabatha tugging on her nipples. Sometimes, we just wanna jack!

These days, girl-girl scenes are rare in *SCORE*. In fact, recently, readers and *SCORELAND* members have made it clear that they have no desire to see more girl-girl layouts. But we wonder if you'd change your mind if you had the chance to revisit some of our scorching, boob-powered girl-girl layouts from the '90s (which you'll see a lot of in this issue). 1995 By this time, *SCORE* had become well-established within not only the big-boob world but the magazine world and was considered "#1 in Big Boobs," just as our cover now boasted (a claim backed by our circulation numbers). The Boob Cruise, which sailed for the second time in 1995, was one of the reasons. "Boob Camp" was getting noticed by the mainstream media, and not only adventure-minded readers but big-boobed girls, too, were clamoring to secure a spot on the ship. But it wasn't all about the Cruise. We flew Tiffany Towers to the Bahamas for this famous shoot.

So, we asked one of our freelance photographers to spend the day with Angel Eyes (previous spread) when she traveled to Big Al's in Peoria, Illinois for an appearance. Talk about an on-location shoot! The location this time was the back of the limo that transported Angel from the airport to the club. How the hell did the driver ever keep his eyes on the road? 1997 The Boob Cruise had not only put *SCORE* on the international magazine map...it had also become one of our richest sources of photos. Rarely did an issue pass that did not contain at least one pictorial of a big-boobed babe on the beach or in some tropical location. The shot of Casey James on page 43 is truly a *SCORE* classic. It was shot near the end of the "Magic Hour," that time of every day when the sun is sinking toward the horizon, during Boob Cruise '97. One thing readers don't realize–and aren't supposed to know because the idea is to make this photographing-big-boobed-girls-in-paradise thing look easy–is the effort entailed in capturing a photo like this. First, we have to scout the proper location. Then we have to get the crew to the location, which could take a long time on a remote island, in this case Belaine Falls in St. Vincent, the Caribbean. It's much easier to go to a club and shoot a girl like Betty Boobs.

Sweat-in' to the SCORE Girls

Otis Sweat's artistic creations animate our big-boob fantasies

BY ELLIOT JAMES

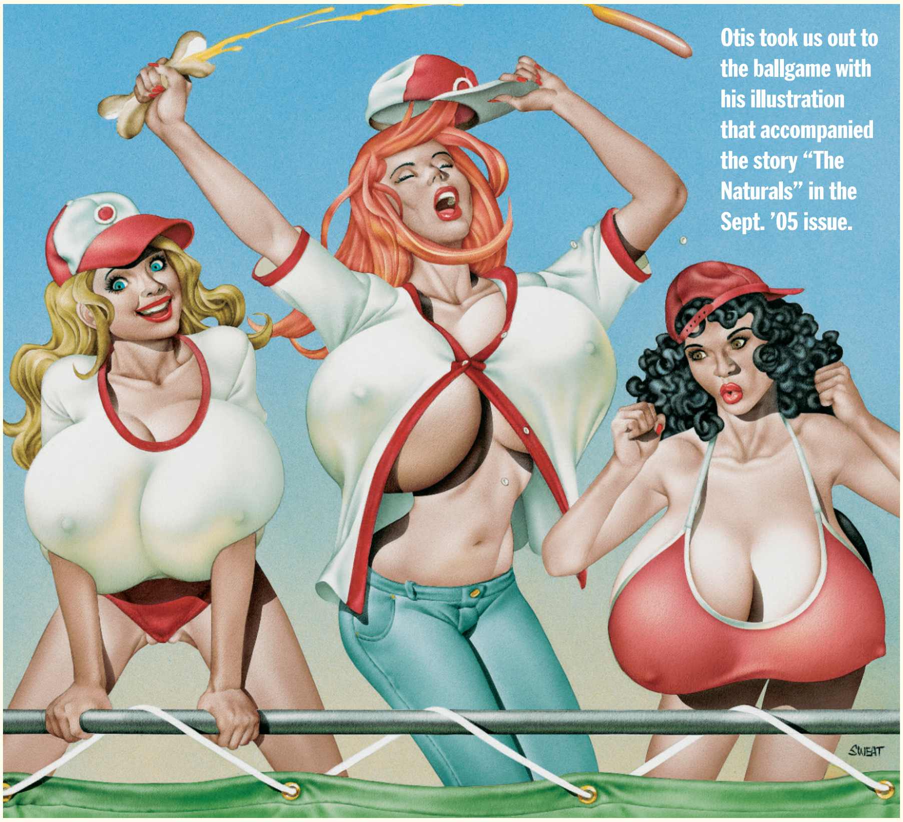
Otis Sweat has been a part of *SCORE* since the very first issue, when his painting adorned our first fiction piece, "Magic Money." Since then, the words "Illustration by Otis Sweat" have been a *SCORE* mainstay.

Otis is an internationally famous, award-winning illustrator in many genres, and his art has been published and sold for over 40 years. He has also studied Chinese language and calligraphy. Over the years, he became the main artist for The SCORE Group, and his depictions of hot girls and incredibly busty superwomen have been published in *SCORE, Voluptuous, 18eighteen* and many other TSG titles. When a TSG editor needs an illustration or painting, Otis is the go-to guy. To this day, an Otis Sweat creation adorns the opening page of "Boob Beat" each month.

Besides creating several regular *SCORE* departments such as "Bomber Girls," "Rocket Girls" and "*Dream* SCORE," Otis has created TSG Holiday cards, illustrations for Boob Cruise T-shirts and posters, regularly published cartoon series such as "Dick Boy" and much more. If any artist is indelibly linked in readers' and erotic art fans' minds with *SCORE*, it's Otis Sweat. It would be impossible to do a "Best of the Best" issue without acknowledging his contribution.

The Art of Fiction

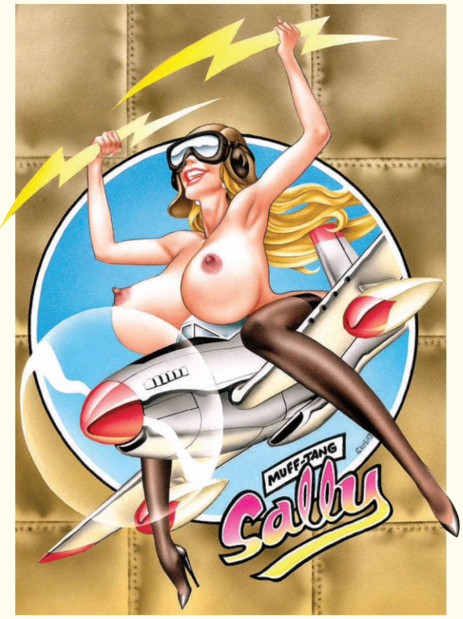
The short fiction stories in *SCORE* have been immeasurably enhanced by Otis's accompanying artwork. Stories of men meeting (and having sex with) super-huge chested girls got the unique Otis touch with his paintings, many of them two-page illustrations. To meet the demands of the milder editions sold outside the USA, Otis often created two versions of a sexually explicit painting so the tame version did not show any sexual penetration. It's a testament to Otis' talent that his illustrated sex scenes are sometimes hotter and more intense than a real photo!



Otis took us out to the ballgame with his illustration that accompanied the story "The Naturals" in the Sept. '05 issue.

Bomber Girls

Otis created "Bomber Girls" in 1993, beginning with the May '93 issue and running through December '95, as a dedication to the great tradition of nose-art painting on Air Force and other military aircraft during the 1940s and '50s. Those paintings generally depicted a sexy gal on the nose of a bomber or fighter plane. Getting his inspiration from the works of these military artists, Otis added his own masterful and humorous touch by giving these girls impossibly huge tits.



We didn't know that Mustang Sally had big tits.

SCORE's history of shooting big-boobed beauties in beautiful locations doesn't go back to the first issue…it goes back to the second issue, when we photographed Deena Duos and Lacey Legends in the California desert near Palm Springs, California. Since then, we've taken readers on an around-the-world journey. Here are the places you've been with *SCORE*.

When: 1992

The Girls: Germany's Chloe Vevrier for her first photo shoot (it would appear in the Jan. '93 issue with Chloe as the covergirl) and Lisa Chest, Savannah Staxxx for the March '93 "Island Fever" issue.

Destination: Caribbean

When: 1994

The Girls: Chloe Vevrier, Europe DiChan, Tawny Peaks, Lisa Lipps and Danni Ashe for Boob Cruise '94. Plus, a shipload of happy passengers who couldn't believe they were cruising with their fantasy girls on *SCORE*'s first vacation in paradise.

Who could resist going back? And we didn't resist, returning in 1995, 1997, 1998 and 2000 for four more Boob Cruises, the final one in the U.S. and British Virgin Islands. By the time our cruising was done, the Boob Cruise had become as associated with *SCORE* as the girls themselves.

Portugal

When: April 1999

The Girls: Kerry Marie, Lorna Morgan, Annette Christiansen, Jessica Turner and Jade…five Euro babes for the *On Location Portugal* video.

And 11 years later…we returned to Portugal in 2010 for the *Big-Boob Finishing School* DVD, starring Michelle Bond, Valory Irene, Sophie Mae, Lana Ivans, Arianna Sinn and Eden Mor.

Working with digital images presented a challenge for us at first because our editors and art directors were so accustomed (as was everyone else in the world) to viewing images on photographic paper or chrome slides. But to paraphrase the Paul Simon song, mama was about to take our Kodachrome away. The tide of movement from print film to digital was unstoppable. And, as we learned, change was good. Digital photography is less expensive and cumbersome, and the quality of the images is just as good if not better.

AUTUMN-JADE
March 2006

2006 Ten years had passed since Linsey Dawn McKenzie made her debut in 1996, and she was still fascinating readers and seducing a new crop of big-boobed girls, this time Ines Cudna in Costa del Sol. Readers were also still fascinated by Autumn-Jade's natural growth spurt; she had returned in 2002 several cup-sizes bigger. So, although every year brings a new crop of big-boobed girls for readers to enjoy–like Texas's Amber Brooks and sexy Claudia Kealoha–the old (or not-so-old) favorites combine with them to make the magic mix readers love.

The *SCORE* photo library is a wonderful place, a magical space unlike any other library in the world. Walk through its doors and you might feel as if you're in an ordinary library. It has a cataloging system, and sliding shelves are packed tightly with rows of binders. But it's when you remove those binders from the shelf and look inside that you discover the magic. For example, you might dig deep and find a spectacular, previously unpublished set of Casey James from Boob Cruise 2000. What other treasures will you find?

John Fox, *SCORE*'s editor in chief, refers to our photo archive room as "the power center" of The SCORE Group. This collection of thousands of photo sets, dating back to the mid-1980s, and hundreds of thousands of photos of every notable big-boobed model of the past 30 years, is unique in the big-boob universe. Nobody else has anything like it. So, when we say that a photo is "one of the best of *SCORE*," that means it's one of the greatest big-boob photos ever taken. There is no competition.

2007 Every girl has her own, unique story. Every picture has a story. We flew Natalie Fiore to Nassau, the Bahamas for her first-ever photo shoot and spent a week with her in this island paradise. Deena Duos, a great *SCORE* Girl from the 1990s, returned in 2007 after dropping out of sight for several years? Why? Because of a weight gain that had sent her into self-imposed hiding. She emerged bustier and better than ever. Sydney Simona and Karen Fisher…girls-next-door, right? Well, what if we told you that Karen used to sell her breast milk to fan club members? Surprised?

Tera Cox is atypical of most girls in that she has huge breasts and posed for an international men's magazine. She's typical of many *SCORE* Girls in that her fling with us was brief, something to knock off her bucket-list of life before she moved on. The same was true of Norway's Alena Snow, although with a G-cup rack like hers and a body that's a throwback to the slim 'n' mega-stacked '90s, it's clear that Alena will continue to get a lot of attention wherever she goes. Hey, it goes with the territory!

Body-painted Danielle Derek visited our studio for the first time in 2005, before she had ever sucked a single dick on-camera, before she had ever gotten her tight little ass fucked for somebody's viewing pleasure. Oh, sure, she had aspirations to be a porn star. No doubt about that. And *SCORE* was Danielle's coming out party…before she came!

DECEMBER 2001: A tale of two covers

We returned from the *On Location Key Largo* shoot with two spectacular photos of Kerry Marie. But was the one of Kerry leaning back and looking up at the camera too artsy for a men's magazine? For the first time, we put the choice to *SCORELAND* members, who chose the photo you're looking at.

CHRISTY MARKS AND KYLEE NASH

August 2008

2008 A great *SCORE* photo can happen at any time. There could be something about the girl at the very moment the photo was taken…a look in her eyes, a brief movement captured at exactly the right time. There could be something about the setting or the light. A great photo can come from the photographer's flash of inspiration. But the photo above of Christy Marks and Kylee Nash was planned. When you know that two girls can do what Christy and Kylee are doing…well, sometimes, our jobs are very easy.

We'll let you in on a little secret: We had to exercise a little restraint when choosing the girls for this issue. That's because there are girls like 2006 Newcomer of the Year Morgan Leigh who never, ever take a bad photo and keep taking great ones. We could have had 20 or 30 photos of Morgan in this issue. The one on page 125 captures all that is great about a Morgan photo: her eye-contact with the camera, her natural, smoldering sexuality, the way she handles her boobs just so and her perfect, pink pussy, the kind of pussy a maker of fuck dolls might use as his inspiration. All *SCORE* Girls are great, but chemistry with the camera isn't made. It isn't learned. A girl like Morgan is born with it.

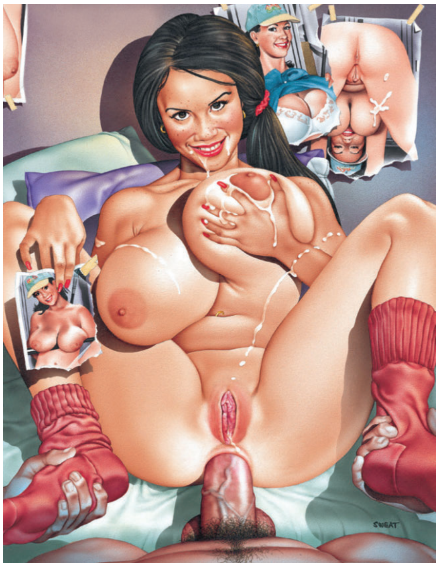
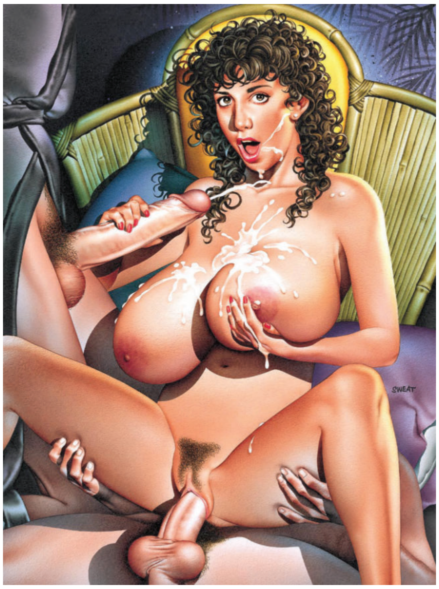
Dream *SCORE*

Following in the tradition of Duncan Gutteridge's "Fantasy *SCORE*" series, "Dream *SCORE*" debuted in the January 2002 issue. Each month, Otis presented a new, explicit XXX painting of a past or present *SCORE* model in a high-octane sex scene.



Sharday does anal? Only in "Dream *SCORE*."

The fantasy logic behind "Dream *SCORE*" was that the models depicted had never done a hardcore porn photo shoot. The girls featured included Pandora Peaks, Colt 45, Devon Daniels, Crystal Gunns, Alyssa Alps and many other famous *SCORE* models. The series formally ended with the Holiday 2003 issue, but the May 2005 edition



This was the most-controversial "Dream *SCORE*."

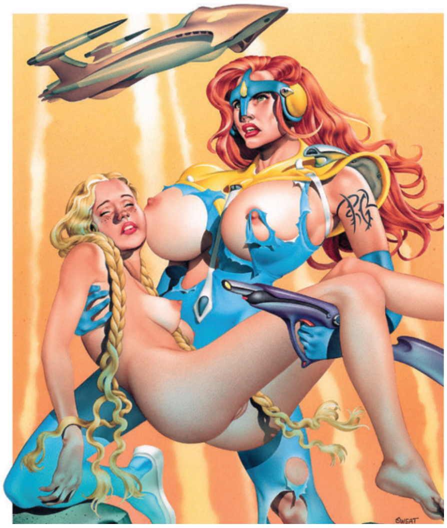
Rocket Girls

Science fiction merged with super-stacked space girls in "Rocket Girls." This futuristic feature was Otis's tribute to sexy sci-fi art and movies, especially the distinctive pulp artwork of the sci-fi paperbacks, magazines and comic books of the 1940s and '50s, and to illustrators Wally Wood, Al Williamson and other giants of celestial space girl art.

Otis perfectly captured the point-of-impact style and energy this genre demands. The first "Rocket Girls" painting was published in the October '05 *SCORE,* and the series ran until July '07 with a total of 11 paintings, alternating every other issue with Duncan Gutteridge's "Fantasy *SCORE.*"



Super-hero Rocket Girl saves small-breasted girl.

2009 Does a *SCORE* Girl have to do the things Alexis Silver and Shyla Shy are doing on page 129 (and that Christy Marks is doing on this spread) to be popular? Some might argue that she does. For years, a debate has raged over whether a girl must show pink or fuck on-camera to be in *SCORE*. But there are some–many, in fact–*SCORE* Men who can gaze at a photo like the one above of British beauty Faith, and if you said to them after a half-hour or so, “You know, she’s not showing her pussy,” they’d respond, “Huh?”

Ten years ago, the debate over *SCORE* Girls showing pink and having sex on-camera was a non-issue. Most *SCORE* Girls didn't have sex on-camera, so nobody expected them to. That changed. Now, when we open up the latest magazine, we're not surprised that Morgan Leigh has a dildo in her pussy and that German wunderbabe Annina is getting ass-fucked by a huge dick. Many readers see Crystal Gunns getting a full-body massage and say, "We want her to go further!" They see Terry, Lorna and Gianna and ask, "Where are the cocks?" It's human nature to always want more. But there are still some *SCORE* Men who want things the way they were.

Striving to strike this delicate balance, satisfying the *SCORE* Men who always want the girls to go harder and further while at the same time satisfying those who see the girls as their fantasy ideal, their dream girls, is part of the daily challenge of a *SCORE* editor. How can we please everyone when everyone is asking for something different? Some guys would be happy if Minka did not have a cock in her mouth in this photo and her oiled-up tits were simply hanging. 2010 One might think that as time passes, society would becomes more-permissive. Things that were once taboo would be permitted. And although that's true in many cases, it's not true in all cases. One of the challenges *SCORE* has faced since the middle of the last decade is how to photograph girls not born in the United States. Back in the day–the day being pre-2005–we could either go to them or bring them to us at our studio in Miami, Florida (or some other location in the United States). But new, stricter laws prevent us from photographing anyone who doesn't have a U.S. passport within the United States. So, we had to travel to Canada to photograph newcomer Taylor Steele (she was worth the trip), and, rather than bringing Karla James to the U.S., we photographed her in Spain the first time, Grand Bahama the second time. As for Kaytee, she's a home girl!

By 2010, the feature film had become a *SCORE* trademark. Sure, we still produced non-stop fuck-o-ramas and tit shows, but we were also producing movies with plots and Hollywood-style production values, such as *Boob Science*, *Busty Riding Academy* and *Mamazon*. Much to their delight, *SCORE* Men were discovering that *SCORE* Girls not only looked good on-camera… they could deliver a line and a laugh, too! This also delighted *SCORE* Girls because they got to tackle new challenges and show off their acting chops…not just their substantial racks!

PLACES WE'VE BEEN

Continued from page 138

St. Maarten, the Caribbean

When: February 2011

The Girls: Michelle Bond, Leanne Crow and Charley Green from the UK, Maggie Green from the U.S. and Angela White from Australia for Leanne's first *SCORE* shoot and Angela's first hardcore scenes. *Leanne's Stacked Summer* and *Angela White Finally Fucks* resulted. **We knew the place.** We'd been there before with Ashley Sage Ellison and Karina Hart in 2008.

Karina Hart (left) and Ashley Sage became bosom buddies.

Puerto Vallarta, Mexico

When: July 2011

The Girls: Hitomi, Leanne Crow, Jenna Valentine, Micky Bells and Natalie Fiore for *On Location Grand Bahama*, a week-long project that brought together girls from Japan, England, the United States, Eastern Europe and France.

Hitomi's first visit to North America.

Hey, haven't we been here before? Yes, we have. Shortly after Boob Cruise 2000, we flew Lovette, Via Paxton and Ariana to Puerto Vallarta for a brief shoot that resulted in a *SCORELAND* special.

2011 It's common for people to pine for the good ol' days. For some big-boob lovers, the good ol' days were the 1990s, when, in their memories, the girls were better and bustier. But the pictures on these pages tell the real story. The girls of today are as beautiful and busty as the girls of yesterday. Need proof? Here's Miosotis, perhaps our bustiest, slim 'n' stacked natural ever. And Beshine, who measures up very nicely against the girls of the '90s.

You give us your Danni Ashe from the 1990s. We'll raise you our Valory Irene, the 2011 Newcomer of the Year. Both girls are great. What's the point of trying to say that one girl is better? You give us Linsey Dawn McKenzie from the 1990s? We'll raise you Christy Marks from the 2000s. Again, why does it matter who's better? *SCORE* Girls have always been amazing. They're in a league of their own.

2012 When we were given the opportunity to photograph Japanese sensation Hitomi, we knew we wouldn't be able to show her pussy. Japanese censorship restrictions prevented her from showing it in Japan, so she wasn't going to show it anywhere else. But we jumped at the chance to shoot Hitomi, knowing that *SCORE* Men would love her beautiful face and spectacular body. We were right. You voted her 2011 Newcomer of the Year. Because the thing is, times change. Methods of photography change. Old favorites retire. New girls come onto the scene. But, as girls like Hitomi, Melissa, Paola and Kelly continue to prove, in *SCORE*, it's all about the tits.

We're guessing that if you're like most *SCORE* Men, your eyes are taking in all of these photos. And, as this issue comes to a close, you're wondering, "What will *SCORE* bring me next?"
